PETITION

Now comes Petitioner, Wisconsin Central Ltd. ("WCL"), and petitions the Illinois Commerce Commission (the "Commission") for an order directing that an additional track and grade crossing be constructed at Lake Street (DOT 689 725H) on the WCL in Lake County, Illinois. In support of its Petition, WCL states as follows:

1. WCL is a rail carrier operating in Illinois and is a rail carrier within the meaning of the Illinois Commercial Transportation Law.
2. Lake County Division of Transportation is a political subdivision within the State of Illinois and is subject to the jurisdiction of the Commission.
3. Lake Street is a county road under the jurisdiction of the Lake County Division of Transportation.

DOCKETED

JAN 21 2004

4. WCL owns and operates a main line of railroad through Cook County continuing into Lake County and to the Wisconsin border.

5. Metra currently operates ten commuter trains per day from Chicago to Antioch, Illinois on the WCL main line described in the preceding paragraph.

6. To improve safety and efficiency of Metra operations and to accommodate future additional Metra trains on WCL's main line, officials from the Engineering Department of WCL and Metra have determined that construction of an additional track, at grade, across Lake Street in Lake County is necessary to safely accommodate the current and projected Metra trains without interference from or delay caused by freight operations.

7. The WCL traffic and timetable speed, current and projected Metra traffic and timetable speed, and existing and proposed warning devices are set forth in Exhibit A, attached and incorporated herein.

8. The proposed new construction at the grade crossing and the proposed division of cost for implementing the work are also set forth in Exhibit A.

9. A construction plan for the project is attached and incorporated herein as Exhibit B.

10. WCL proposes that it will pay for the new construction and crossing proposed as set forth in Exhibit A, including any required relocation of existing warning devices and any required installation of new constant warning time circuitry.

11. WCL does not agree to accept service by electronic means.

WHEREFORE, Petitioner Wisconsin Central Ltd. respectfully requests that the Commission:

- a. Set this matter for hearing with due notice to the parties;
- b. After hearing, enter an order directing Petitioner Wisconsin Central Ltd. to construct an additional track and grade crossing as set forth in Exhibits A and B;

- c. Apportion the costs involved as set forth in Exhibit A; and
- d. Provide such other and further relief as the Commission deems just and appropriate.

Dated at Chicago, Illinois this 19th day of January, 2004.

Respectfully submitted,

WISCONSIN CENTRAL LTD.
